

**“At times the world may seem an unfriendly and sinister place, but believe that there is much more good in it than bad. All you have to do is look hard enough and what might seem to be a series of unfortunate events may in fact be the first steps of a journey.”**

**— Lemony Snicket**

**“No matter what you are attempting to achieve, it will not happen without sacrifice, hard work, a positive environment, a positive mental attitude, passion, determination, meditation, introspection, prayer and vision. Never use the word try, just do what you need to do to get to the next step. Don't make excuses, don't blame others, don't blame your circumstances. Take personal responsibility, surround yourself with good people and let go of anything or anyone who tries to stop you from doing what you need to do to become the best you! Watch for distractions because they are everywhere. I wish for the best for you and yours!”**
